The hotels listed below have been selected from the Arp-Hansen Group's total offering primarily due to location and price. You can see the total offering of hotels including the Tivoli, Phoenix, 71 Nyhavn at the Arp-Hansen website and our corporate agreement also covers these hotels. You may see special promotion rates that are lower than our corporate rates when you book a room. These promo rates cannot be guaranteed for any date or more than one room, whereas the fixed NORDUnet rate applies at all times within the seasons stated and for an unlimited number of rooms.

The prices below include a 35 DKK environmental fee.
