

201507 - Public report

Unscheduled:

- July 14th: Link was down due to a technician unplugged the wrong fiber.
- July 14th: Link down due to faulty fiber

Scheduled:

- July 9th: Tried to change transmission card due to ghost alarms at suppliers management system. The new card was faulty so we did a rollback and supplier will order spare part as cold spare during the summer.
- July 5th: Supplier performed maintenance, Svappavaara-Kiruna.
