NORDUnet inter-NREN Forum

NORDUnet inter-NREN Forum

About inter-NREN Forum

inter-NREN is a forum for Services collaboration between the Nordic research & education networks. The main activities are the inter-NREN mailing list and the inter-NREN forum meetings. The inter-NREN forum is open for staff at NORDUnet, the Nordic NREN's and related institutions.

The activities of the inter-NREN forum are transformed to NORDUnet CTO-Forum as decided in the January 22nd 2014 meeting in Stockholm. Please, see the minutes for details (item 4).

Inter-NREN Forum charter

1. Comparing service portfolios (map)
2. Identifying and proposing candidates for shared services (table)
3. Exploring joint marketing and communications possibilities
4. Exchanging information
5. Sharing knowledge about legal and contractual issues
6. Contributing to Terena and other international workgroups

TODO-list

Decision	Responsible	Due	Status	Comments
Update the CTO-Forum mailing list.	Fischer, Qvist	Feb 2014	⛔	Opened January 2014
Draft of a new CTO-Forum charter	Fischer, Qvist, Miettinen	Feb 2014	⛔	Opened January 2014
Investigate the further possibilities of the UNINETT Nova activities in the joint Nordic scope	Nihlen	Apr 2014	⛔	Opened September 2013.
Contact Nordic NRENs for appointing the governance board for the shared services development fund	Qvist	Jan 2014	✅	Opened September 2013. Taken over by events. The specification of the shared services fund has changed. Closed January 2014.
Draft a new version of the TF-LCPM 2006 NREN Service categories paper	Miettinen	Jan 2014	⛔	Opened September 2013.
Contact Koen for updating the 2006 TF-LCPM NREN Service categories paper	Miettinen	Jan 2014	⛔	Opened September 2013.
Circulation of the optical infrastructure tender project plan	Qvist	Jan 2014	⛔	Opened April 17th 2013. The workgroup wishes information about the optical infrastructure tender project to the list.
IaaS tender material comments	Qvist	Jun 2013	✅	Opened April 17th 2013. The workgroup wishes additional information about the structure of the IaaS tender to the list. There's a separate group working on the topic. The item is overtaken by events on September 25th 2013.

Doodle for agreeing the date for the next workgroup meeting	Miettinen	Jun 2013	✅	Opened April 17th 2013. The meeting date need to be agreed. Doodle is out on June 27th 2013.
Next workgroup meeting: agree the meeting details with UNINETT	Miettinen	Sep 2013	✅	Opened April 17th 2013. Preparations are ongoing. The meeting was held successfully.
Integrity of the eduroam statement, write the first version	Miettinen	Sep 2013	✅	Opened April 17th 2013. The workgroup is concerned about the legacy implementations of eduroam. First draft submitted to the list on September 10th.
Initiate a joint meeting with inter-NREN and Nordic CERT forum	Bech	Apr 2014	⛔	Opened Jan 23rd 2013. April 17th 2013 update: the preparations are progressing well. The event will likely be in Aug or Sep 2013. The meeting had to be delayed for administrative reasons. The new date will probably be late 2013. SUNET is supporting the effort.
Presentation about the UNINETT HA services in the April 2013 inter-NREN meeting	Strømdal	Sep 2013	✅	Opened Jan 23rd 2013. The presentation was given in the Trondheim meeting November 25th.
Provide further information about the ServiceInfo service to the list	Bech	Apr 2013	✅	Opened Jan 23rd 2013. MB gave a demonstration in the April 17th 2013 meeting. Task completed.
Forskningsnettet is now DeiC. Replace FSKNet with DeiC in appropriate places in the group documentation	Miettinen	Feb 2013	✅	Opened Jan 23rd 2013. JM checked the WG pages and fixed the matrixes. Also the minutes in editing were updated, but the changes were not made retrospectively. Task completed.
Update the service categorization document by TF-LCPM	Qvist	Apr 2013	✅	Opened Nov 14th 2012. The categorization by TF-LCPM is somewhat outdated due to the growth of NREN service portfolios. I have added the cloud services to an existing group, and asked TERENA if they would update the document. It was noted that this is most sufficient in the April 17th 2013 meeting. Task completed.
Description of the shared services development fund (1xA4)	Qvist	Aug 2013	✅	Opened Nov 14th 2012. Summarize the results of the brainstorm had in the November 2012 meeting. 16/4 Draft circulated. The item was discussed at the April 17th meeting. Minor fixes were identified. JQ to proceed with finalization and getting formal acceptance. NORDUnet board has made a decision on establishing an administrative structure for coordination Nov 2013.
Distribute the Uninett HA material	Strømdal	Aug 2013	✅	Opened May 7th. A comprehensive presentation was given in the Trondheim meeting September 25th 2013.
Update the HA Excel File	Miettinen	Sep 2012	✅	Added the e-mail service as decided. Submitted the file to the mailing list in July 2012.
Handle the practicalities of the Oslo meeting	Miettinen	Sep 2012	✅	Opened May 7th
Update the RHNet information in the Service Matrix	Olafsson	Sep 2012	✅	Opened May 7th
Update the DeiC information in the Service Matrix	Bech	Jan 2014	⛔	Opened May 7th.
Update the UNINETT information in the Service Matrix	Strømdal	Sep 2012	✅	Opened May 7th
Update the Sunet information in the Service Matrix	Qvist	Mar 2013	✅	Opened May 7t, Done16/4
