

NORDUnet Video Conference Streaming

NORDUnet Video Conference Streaming

You can watch streaming (one way Video/Audio) from a meeting / conference that has chosen to utilise the NORDUnet Video Conferencing Streaming through a web browser utilizing the following link:

<http://gatekeeper.nordu.net:60580/ndn>

Enter the Meeting_ID provided by the Meeting / Conference Organizer.

The following web browsers are supported:

- Microsoft Internet Explorer
- Firefox
- Safari
- Google Chrome

NOTICE: Not all meetings are being streamed - It is solely up to the meeting / conference organizer to decide whether to stream a meeting.
