

NORDUnet Video Conference Recording

NORDUnet Video Conference Recording

You can watch a recording from a meeting / conference that has chosen to utilize the NORDUnet Video Conferencing Recording option through a web browser utilizing the following link:

<http://gatekeeper.nordu.net:60580/ndn>

Choose the "Watch Recording" TAB.

Enter the Meeting_ID provided by the Meeting / Conference Organizer.

The following web browsers are supported:

- Microsoft Internet Explorer
- Firefox
- Safari
- Google Chrome

NOTICE: Not all meetings are being recorded - It is solely up to the meeting / conference organizer to decide whether to record a meeting or not.
