

Presentations by Lars Fischer

Presentations by [Lars Fischer](#) (in PDF format)

2017

- Best Practice for Cloud Connectivity for R&E Users, TNC2017, Linz, 30 May 2017
- NORDUnet Update, given at GLIF Americas, Sydney, 25 September 2017
- GLIF Tech Welcome, GLIF Tech, Sydney, 26 September 2017
- The Remote Campus Problem, given at GLIF Tech, Sydney, 27 September 2017
- GLIF 2018, given at 17th Global Lambda Grid Workshop, Sydney, 27 September 2017
- [Global Research Networking](#), given at [UNINETT Konferansen 2017](#), Trondheim, 21 November 2017.

2016

- [The World of NRENs](#), presented to ESS Copenhagen, 1 November 2016
- [Integrated and Ubiquitous e-Infrastructures with Open Exchanges](#), presented at [e-Age 2016](#) organized by ASREN, Beirut, Lebanon, 2 December 2016. An [extended paper](#) is also available.

2014

- [Deploying Standards-based, Multi-domain, Bandwidth-on-Demand](#), given at [28th NORDUnet Conference](#), Uppsala, 23 September 2014
- [NORDUnet Update](#), given during GLORIAD meeting, Queenstown, NZ, 29 September 2014
- [Welcome to GLIF TECH](#), given at GLIF TECH meeting, Queenstown, NZ, 30 September 2014
- [NORDUnet GOLE Update](#), given at GLIF TECH meeting, Queenstown, NZ, 30 September 2014
- [GLIF Future Directions](#), given at GLIF TECH meeting, Queenstown, NZ, 30 September 2014

2013

- [BoD Workshop Welcome](#), given to GN3+ BoD Workshop, Copenhagen, 5 November, 2013

2012

- [NORDUnet - A European Regional Network](#), presented at the SEERA-EI Workshop in Belgrade, 18. January, 2012.
- [Chair's welcome, 2012 Winter GLIF TECH meeting](#), Baton Rouge, 25-26 January 2012.
- [Link Policy Problem Statement](#), Presentation given at [2012 Winter GLIF TECH meeting](#), Baton Rouge, 25-26 January 2012.
- [Chair's closing address, 2012 Winter GLIF TECH meeting](#), Baton Rouge, 25-26 January 2012.
- [Welcome and NORDUnet introduction, GN3 PR Network](#), Copenhagen, 22 February 2012.
- [NORDUnet International Strategy, TERENA TF CPR meeting](#), 23 February 2012.

2011

- [Role of Consortium](#), presented at Baltic Ring Consortium Workshop, Riga, 24-25 November 2011.
- [LHCONE: NORDUnet View](#), presented at [LHCONE Workshop](#), Amsterdam, 1-2 December 2011.
- [Baltic Ring update](#), presented at Nordic Council of Ministers' Senior Officials Meeting, Copenhagen, 8 Dec 2011

2010

- [Summary of observations from GN3 Architecture workshops](#), presented at 5th GN3 Workshop, Berlin, January 2010
- [NORDUnet resources for Dynamic GOLE pilot](#), presented at 2010 Winter GLIF Tech Workshop, Salt Lake City, February 2010.
- [NORDUnet Icelink](#), presented (by VC) at the 9th ON*VECTOR International Photonics Workshop, Calit2, San Diego
- [Coordination & Collaboration for Internal NOC Issues](#), presented at TERENA TF-NOC preparation meeting, Copenhagen, May 2010.
- [Building Federated Research Networks in Europe](#), presented at TNC2010, Vilnius, 2 June 2010.
- [NORDUnet - Network Services for Nordic HEP](#), presented at the Workshop on Transatlantic Networking for the LHC Experiments, CERN, 11-12 June 2010.
- [NORDUnet - Co-operation with Africa](#), presented at the 2010 Euro-Africa e-Infrastructure Conference, Helsinki, 9-10 December 2010.

2009

- [Federated Operations](#), presented at the 2nd GN3 Architecture Workshop, Brussels, March 2009.
- [Integration of GLIF services into the Grid middleware](#), presented at EGEE'09, Barcelona, 22 September 2009.
- [NORDUnet GLIF Update](#), presented at GLIF 2009, Daejeon, Korea, 27. October 2009.
- [Green GLIF - How to Create Change](#), presented at GLIF 2009, Daejeon, Korea, 27. October 2009.

2008

- [Green IT - a Hot Topic](#), presented at the TERENA Technical Advisory Council, Bruges, 19 May 2008.
- [Northernlight - a 3rd generation hybrid network](#), presented at [8th Global Lambda Grid Workshop](#), Seattle - 1-2 October, 2008
- [Global Lambda Networking with GLIF - Serving Demanding Applications Worldwide](#), presented at [SUNET TREFpunkt 19](#), 15 October 2008
- [GN3 - Next Generation Network in Europe](#), presented at [SUNET TREFpunkt 19](#), 15 October 2008
- [Innovative Research Initiatives in the Nordic Countries - NORDUnet](#), presented to the 18th KOREN workshop, Korea, 16 October 2008
- [Suggestions for Guiding Principles for GN3 Network Architecture](#), presented at the 1st GN3 Architecture Workshop, Cambridge, 10-11 December 2008.

Presentations 2007

- [NORDUnet - Nordic eInfrastructure for Research](#), presented at the NorduGrid conference in Copenhagen, September 2007
