

NORDUnet Conference Services

NORDUnet Meeting Service

NORDUnet offer the NREN Community convenient meeting facilities in Copenhagen (Only 10 min walk from Copenhagen Airport) and in Central Stockholm

NORDUnet Video Conferencing Service

To maximize the usage of NORDUnet resources and minimize the cost of travel and the inherent pressure on our environment associated with airline travel NORDUnet has established a number of Video and Audio Conferencing capabilities that is highly utilized in day to day operation but which is also available for Conferences and Meetings within the global NREN Community.

NORDUnet Audio Conferencing Service

NORDUnet offers Audio Conferencing Service with access bridge in both Copenhagen and Stockholm.
