201406 - Public report

Unscheduled:

- June 18th: An unannounced maintenance caused outages on SUNET backbone link and NDGF Umeå link.
- June 10th: Port Reset restored the BGP to CSB - Red. We will monitor this so the interface doesn't "hang" again.
- June 9th: Unannounced maintenance Stockholm to Örebro.
- June 4th: There was a fiber break between Örebro and Borlänge. The fiber has been repaired.

Scheduled:

- June 10th: Planned maintenance affecting LNU Red
